

Recreational Trails Program Guidelines

Proposed Regulation

The California Department of Parks and Recreation (Department), Grants and Local Services has proposed regulations for the Recreational Trails Program Guidelines through the Office of Administrative Law (OAL).

The Department proposes to adopt the Procedural Guide for the federal Recreational Trails Program Final Draft June 4, 2007 by reference into the California Code of Regulations.

A 45 day public comment period on the proposed regulation and the Procedural Guide will be held from June 15, 2007 to July 31, 2007, 5:00 p.m.

The Notice of Proposed Rulemaking provides information on the proposed rulemaking and how the public can provide comments to the Department concerning the proposed regulation and the revised Recreational Trails Program Procedural Guide. The Initial Statement of Reasons provides background information concerning the purpose and necessity for this proposed rulemaking. It also includes a description of reasonable alternatives, evidence supporting an initial determination of no significant adverse economic impact on business, and efforts to avoid conflict with or duplication of federal regulations.

The Department has scheduled a public hearing on this proposed action:

Tuesday, July 31, 2007
9:00 am – 11:00 am
Rush Park Community Center
7801 Auburn Blvd.
Citrus Heights, California 95610
